

Car Park, Traffic and the Pick up Zone

One way system for traffic flow with entry from Lovedale St and exit to Kedron Brook Road.

This is the O'Shea carpark which we share the site with but we are able to use it on the condition that vehicles have vacated this carpark by 9am each weekday morning.

Prep carpark. Care must be taken when exiting as you are required to join the line of traffic to exit via Kedron Brook Road.

No drive through or parking around the Church at all times.

Good Samaritan Centre (School Hall)
